

EMERGYS

Scale  
Smarter with  
**Emergys' ServiceNow**  
Staff Augmentation

# Service **Overview**

In synergy with one of India's best talent pools and delivery centres, Emergys offers flexible and adaptable ServiceNow Staff Augmentation services. We help IT leaders accelerate their ServiceNow Platform usage and capabilities by giving them access to certified, but highly skilled consultants, who seamlessly collaborate with internal teams to deliver impressive outcomes.

# Our Strengths

## 130+ Experienced Consultants

A proven record supporting customers with a team of experts who are actively involved in a variety of projects.

### End to end Platform Coverage

Support includes IT workflows, customer workflows, employee workflows, creator workflows, virtual agents, and Gen AI.

### Flexible Engagement Models

Whether it's short-term, long-term, or even project-based, our focus engagement models perfectly adapt to the roadmap, and budgets.

## 100+ Certified Specialist

Deep platform expertise spanning over ServiceNow's core and advanced workflows and modules.

### Cost-Efficient Scaling

Guaranteed flexibility in handling projects by assisting you in scaling team up or down without incurring the expenses and delays.

### Rapid Resource Deployment

Emergys's powerful bench can meet urgent requirements, can also fill skills gaps or ramp up for large-scale projects.

To deliver quickly, with greater results, and confidently propel success, tap into a dependable, scalable **ServiceNow** talent pool supported by our Center of Excellence.
